Enterprise Europe Network is the largest network in Europe supporting SMEs competitiveness and innovation. Thanks to its 600 contact points (Chambers of Commerce, Regional Development Agencies, Technology Centres) in 49 countries across Europe and beyond, it helps SMEs develop their innovation potential and access new markets. Launched in 2008 by the European Commission, it represents an integrated services system: to help SMEs to meet new business and technological partners abroad; to boost innovation and technology transfer; to promote the participation in R&D European programmes.

Unioncamere Emilia-Romagna, Aster and Eurosportello-Chamber of Commerce of Ravenna belong to the network within SIMPLER Consortium.

FIERAVICOLA 2013 INTERNATIONAL POULTRY EXHIBITION

The 48 th biennial edition of FIERAVICOLA will be held in Forlì from April 10th to April 12th 2013. With over 300 exhibitors, more than 30% from overseas, and an exhibition area covering over 20,000m2, Fieravicola confirms its place as Italy's leading trade show and one of Europe's most high-profile B2B events for the poultry sector. This specialist event is the ideal meeting place for poultry industry experts, making Fieravicola the perfect strategic shopwindow for furthering international professional and business relations, not least because of its central location between the markets of Eastern Europe and the Mediterranean. Fieravicola continues the mission that has placed it among the most high-profile international, livestock trade fairs and the goal for Fieravicola 2013 is to present and add value to what is already a centre of excellence for the industry and that has always attracted the attention of the major operators in this market segment.

Exhibition categories:

- Breeding and Genetics
- Incubators and Hatcheries
- Breeding systems and equipments
- Feed systems
- Feed, additives and supplements
- Pharmaceuticals, veterinary and hygiene products/systems
- Egg processing and packaging systems
- Slaughter, meat processing packaging systems
